Science Temporary/Maternity Leave Position

Ursuline Academy is seeking a full-time Science Teacher for a temporary/maternity leave position, beginning August 2018. We are looking for an experienced and passionate **Biology Teacher** to join our science team. In addition to teaching multiple levels of Biology (including AP), candidates qualified to teach in other STEM areas are strongly preferred.

The ideal candidate has:

- Earned a bachelor's in Biology or related STEM field; master's degrees preferred
- At least 2 years Upper School science teaching experience
- A positive, professional, collaborative work style
- The ability to educate in an engaging manner
- A passion for innovation, collaboration and participation in a community of learning
- The dedication to ensure the spirit and life of the school mission

We seek candidates who embrace learner-driven approaches/pedagogy; who aim to use a cross-curricular, transdisciplinary approach and actively seeks collaborative approaches with teachers within and outside the department. Our ideal candidate is proactive in setting up a student-centered classroom environment that goes beyond the lecture format and who utilizes lab-based instruction for a significant portion of the instructional time.

If interested, please submit your resume and cover letter before June 15th, 2018 to uaemployment@ursuline.org. When applying, please use "Temporary Science Position" in the "Subject" line of the email.
