This Annual Report reflects giving from July 1, 2018 – June 30, 2019. Every effort is made to be complete and accurate, and we apologize for any errors or omissions. Please call Debbie Hurd, Director of Advancement, at 302.658.7158 with any corrections.
Dear Ursuline Community,

Celebrating the 125th anniversary of Ursuline Academy during our 2018-2019 school year was one of the most significant and meaningful milestones of my tenure as president. The celebrations gave all of us an opportunity to reflect on the courageous acts of the Ursuline Sisters who brought our school to life, the global achievements and reach of our alumnae, and the path we are forging for our students to become changemakers in their own right. The energy on campus was palpable, and we have seen that translate to overwhelming enthusiasm for and a renewed dedication to our historic mission from St. Angela Merici. Our legacy encompasses so much more than our past - it is the blueprint for what we are building now.

Ursuline had a busy year as we successfully completed both the Middle States and American Montessori Society Accreditation processes, receiving numerous accolades for our strengths in global education, leadership, and innovation. Ursuline met the standards of excellence in each evaluation and received additional commendations around our Strategic Plan: Vision 2022, which focuses on areas such as STEM education, supporting our world-class educators, and growing the Academy’s endowment through the power of our community engagement.

In January 2019, our school community celebrated the opening of Fusco Hall – our new Student Life Center. Students, staff, parents, and alumnae eagerly toured the new addition to our campus, which has become the central hub of student activity across all grade levels. This 32,000 sq. ft. state-of-the-art facility represents a commitment from all of our capital campaign donors to create needed space for students and faculty to collaborate, innovate, and expand their imaginations.

So much of the Academy’s success is the direct result of charitable giving. We are thankful for the generosity you have shown and for making Ursuline Academy one of your top philanthropic priorities. Everyone’s contributions, big and small, truly make a difference in our efforts to bring out the best in every child, and we are extremely grateful for the myriad of ways individuals give. These contributions from parents, alumnae, faculty, staff, corporations, and friends have continued a legacy of teaching excellence and innovation in student-centered academic programs, funded capital projects, and strengthened our endowment.

Our future remains bright and full of possibilities thanks to a mission that, at its core, continues to strengthen Ursuline’s commitment to service, community, and intellectual and spiritual development of the next generation of global leaders. The talents of our staff, the commitment of our community, and the passion of our students reaffirms my belief that all of our students benefit from and thrive in this environment.

As we build on the momentum created by the 125th celebrations, I thank you for being a part of this incredible time in our school’s storied history and helping us blaze a trail for the future. Thank you for your commitment, thank you for your service, and thank you for being a part of our Ursuline family.

Best Regards,

Dr. Trisha Medeiros, EdD
President
The Annual Fund is Ursuline Academy’s annual giving program and the primary fundraiser each year. We celebrate the generosity of our donors who contributed charitable gifts to Ursuline from July 1, 2018 through June 30, 2019.

“Classes at Ursuline prepared me for college and to the attention to detail that is necessary in the legal field. Teachers, staff, and other students helped me prepare by challenging me to see the big picture and other points of view. Ursuline gave me a feeling of belonging and confidence that I could succeed outside that world as well.”
